

Dear dental colleagues,

Shenzhen, a gorgeous and prestigious city card to the world, is the pioneer demonstration area of Socialism with Chinese characteristics, a world capital of scientific and technological innovation, a central city in the Guangdong–Hong Kong–Macao Greater Bay Area, one of the three financial centers of China, and the “Silicon Valley” of China.

The “*Shenzhen Asia-Pacific Dental High-Tech Expo*” (hereinafter referred to as “SDHE”) in Shenzhen will actively and strongly promote the rapid development and internationalization of stomatology in China. SDHE will be held in Shenzhen World Exhibition & Convention Center from December 4 to 6, 2024, the theme is “Innovative Technology’s Promotion on the New Development of Stomatology”. SDHE is committed to becoming an influential dental high-tech event at home and abroad, creating a “Cologne Exhibition” affiliated to dental professionals in China, and building a one-stop service platform for dental brand display. The exhibition covers an area of 30,000+ square meters, with 800+ standard booths, offering six exhibition areas of international brands, high and new technologies, national brands, digital applications, nursing sensation control, and comprehensive brands, involving industries of dental equipment, new technology, new

application, and new materials, striving to show and promote the latest cutting-edge technology of stomatology industry under the background of rapid development of stomatology industry, promote its application and lead its development.

There are diversified hot topics to be explored SDHE academic conference, where more than 150 prestigious dental experts at home and abroad to share the hot topics and practical technologies of stomatology in sub-thematic sessions, and to integrate and brainstorm with new ideas, fully mobilizing the enthusiasm for the development of China's dental industry.

We hereby sincerely invite dentists, dealers, manufacturers, and other people involved dental industry from all over the world to participate, and jointly promote and enhance the prosperity and development of the dental healthcare industry in the world.

Looking forward to your presence on-site!
